LLANERCHINDDA FARM GUEST HOUSE, LLANDOVERY, CARMARTHENSHIRE.

FRIDAY 16th to MONDAY 19th OCTOBER 2020

This extremely popular destination has been booked again for 2020. We will arrive Friday afternoon and depart Monday after breakfast. Its up to you to make your own way there. The weekend will include two **optional** non-timed, Rallies, each of approximately 100 miles which can be completed in a day without having to rush. For those with older/slower vehicles these routes can be altered to suite. There is plenty of parking so your pride can be trailered to Wales, and if you feel the need, there are also vehicle washing facilities, although the routes are on tarmacked roads.

Each day begins with a buffet English breakfast (second helpings encouraged!) before leaving in your own time, for the scenic run. On return (around 4pm) afternoon tea awaits, perhaps on the patio if the weather is good, to be followed later with an excellent dinner in the company of BTM friends. (Dietary requirements are no problem if advised when booking).

The Farm has a mixture of twin & double bedded, en suite rooms available.

If you would like to prolong your visit there are a number of visitor attractions in the area or you could take to the hills for a walk.

As usual there is no vehicle type or age restriction **BUT** as this event is so popular you will need to be quick to book. **Places will only be reserved when payment received!**
