

DESIGN A FUTURE RACING CAR

In 1926 Brooklands hosted Britain's very first Grand Prix. A century later, we're celebrating 100 years of innovation in speed, engineering and imagination. Now it's your turn to look ahead: what could a Grand Prix car look like in the next 100 years? Design your future racing car using the space below:

Large dashed-line box for drawing the future racing car.

How to enter:

From home:

Take a clear photo or scan of your completed design — make sure the whole page is visible, including the border and send it to us at competitions@brooklandsmuseum.com

At the Museum:

Put in the box located in the Sunbeam Café

All entries must be sent by Friday 22nd May 2026

By taking part, you agree that Brooklands Museum may include your design in our new Grand Prix Exhibition and related activities. The top designs will be made into a mural for the exhibition and shared on the Museum's social media pages.
