# AN ICONIC VENUE

## A Cultural Heritage Venue for Inspired Business and Lively Social Occasions

At the heart of our venue is the Grade II-listed Clubhouse, home to a collection of Art Deco-inspired function rooms. Each space offers a blend of elegance, natural daylight and equipped with state-of-the-art audio-visual technology, providing the perfect setting for business meetings, conferences, gala dinners and private celebrations.

With the capacity to accommodate up to 220 guests and a variety of flexible layouts available, our rooms can be tailored to meet your specific event requirements. Breakout spaces, day delegate packages and fully bespoke solutions are available to ensure your event is seamless, productive and memorable.

All our spaces are fully accessible and are designed to meet every individual's needs.

Our dedicated events team is here to support you at every step—from initial planning through to execution—ensuring your experience is nothing short of exceptional, all within a venue synonymous with innovation and achievement.

We look forward to welcoming you to Brooklands Museum.

OUTDOOR SPACES & EXHIBITION SPACES

# EXCEPTIONAL EXPERIENCES & EXCLUSIVE SPACES

Elevate your event with unique additions that set Brooklands Museum apart. From exclusive exhibit space hire for up to 1000 people for receptions, to interactive experiences that immerse guests in our pioneering history, we offer options that transform events into unforgettable experiences.

There is a setting to suit all, from cocktail receptions under the wings of Concorde, pre-dinner drinks in the Aircraft Factory and within the charming Motoring Village, to treating your company to a day out with a BBQ in the historic Paddock.

Should you want that little bit extra to your event, we can also arrange vehicle demonstrations or offer exclusive tours of the Museum and/or Concorde. Speak to our team for all our bespoke possibilities.

# INSPIRED CATERING

Great food brings people together.

Whether you're planning something stylish and intimate or large and spectacular, we'll make sure your event leaves a lasting impression on every guest.

When it comes to dining, our in-house catering team truly delivers. From light or working lunches to hearty hot fork buffets and elegant three-course dinners, our menus are crafted with care and can be tailored to suit your tastes and theme. Every dish is freshly prepared, beautifully presented, and designed to complement your occasion perfectly.

Looking to add a special touch? Welcome your guests with canapés and bubbly, or treat them to a bespoke dining experience paired with exceptional wines and seamless service.

At Brooklands, we bring together the setting, the service, and the flavour — you bring the occasion.

## SOCIAL RESPONSIBILITY

# INNOVATION AND ENDEAVOUR AT OUR VERY CORE

**Inspiring people to shape the future through Brooklands' history.**

Brooklands was the cradle of British innovation and endeavour in the worlds of motorsport and aviation. Today we celebrate the passion, bravery and inventiveness of the men and women who designed, built, raced and flew machines like those in our Collection, on this historic site, throughout the twentieth century.

Brooklands Museum welcomes over 16,000 students annually through its STEM-focused learning programme. To this end, the Brooklands Innovation Academy was created, to inspire and support young people to become the next generation of scientists and engineers, helping make Britain the best place in the world to do science.

It is a thriving hub that connects young people aged 11-18 with scientists, technologists, engineers and mathematicians from leading businesses, including Haleon, McLaren, NHS Foundation Trust, Airbus, and Balfour Beatty, to name a few.

Against a historic backdrop renowned for innovation and world firsts in engineering and design, Brooklands Innovation Academy creates inspirational STEM experiences for young people, working with companies that are trying to solve the problems the world faces today and show young people how they could be the future.
